**Subject:** [EXTERNAL] Area 40 - RI Supplement & Aerial Photo Comments

Hi Chris,

Attached are GSU comments on the RI Supplement which carry over into the Draft FS report. Additionally, there are comments and supporting illustrations regarding the Aerial Photos and potential unidentified operational areas within Area 40 based on the referenced figures.

HERO has completed the RAD review and a memo is forthcoming. Unfortunately, the reviewer has a family emergency and will not be available to finalize their comments until the week of the 28<sup>th</sup>.

Thank you for your patience.
